## Taree Campus

The Aunty Pam Saunders Development Fund celebrates respected Biripi elder, Aunty Pam Saunders, who made an enormous contribution to many schools in the district, TAFE, and broader community, sharing Biripi culture, language, dance, weaving and stories. Aunty Pam was always willing to share her knowledge and time to assist with the development of others. Aunty Pams passion and much of her life's work, focused on helping young Indigenous people fulfill their dreams.

The Aunty Pam Saunders Development Fund was created to provide young people the opportunity to develop their physical, social, academic and enterprise skills. The goal of this funding is helping students achieve their present and future learning, health, and career goals

CAMPUS

The Development Fund will assist students to progress their interests. An external panel of at least three community members, selected from a variety of service sectors, will assess applications using criteria that underpins the goals of the college. These include reducing barriers to learning, employment, and personal development, celebrating student initiative, and supporting holistic wellbeing. We are encouraging the aspirations, passions, current and future dreams of young people in our community who are overcoming considerable life challenges.
